

MELROSE-WAKEFIELD TRUST CO. TO LOCATE AT LUCCI'S

State banking authorities have given their approval to a branch bank office of the Melrose-Wakefield Trust Company, to be located at Lucci's Plaza (Lowell Street and Woburn Street) in Wilmington.

Robert L. Ramsdell, president of the 116 year old Melrose-Wakefield Trust is a former resident of Wilmington. He has told the Town Crier that permission is being sought to move a temporary office, a trailer, onto the site within a month, and plans are being made to begin the construction of a permanent branch bank office as soon as weather conditions will permit.

The Melrose-Wakefield Trust Company, presently operates four branches. It has headquarters in Wakefield, and the present bank is the result of a merger of the Wakefield Trust, founded in 1854 and the Melrose Trust, founded in 1857. The two institutions merged in 1968. The bank is a member of the Shawmut Association of commercial banks.

Ramsdell said he viewed Wilmington as "a progressive and dynamic town", and we look forward to bringing the people the facilities of a full service bank.

He said that the temporary quarters would have four teller stations, a night depository, a walk-up window and a loan office.

Coupled with the announcement comes word that the new facility will be designed to facilitate the Avco-Wilmington payroll requirements.

Computer tape, provided by Avco, is processed by the Melrose-Wakefield Trust and payroll figures are credited automatically to the accounts of Avco employees. No checks are issued in the new system, and credit deposits are fully automatic.

Final approval by the Federal Deposit Insurance Corporation is expected within a few days, Ramsdell said. Ramsdell also told the Town Crier that he expects to announce shortly the officers and personnel who will be assigned to the new branch, and the special banking hours which, he said, will be tailored to the needs of the area customers.

No Candidate for 2 Year Term in W.H.A.

As time for filing draws near, there is still seemingly no candidate for the two year term in the Wilmington Housing Authority, to replace Ernest Crispo, resigned. There are candidates for all other posts open in the March election.

There now seem to be about nine candidates for the Board of Sel-

ectmen, but the actual number to file is still anyone's guess.

Since last week papers have been taken out by A Daniel Gillis, and, for the School Committee, John Brooks, incumbent, is a candidate to replace himself.

A candidate for the two year term on the School Committee is Charles Gilbert, 20 years old, of Church Street.

RICHARD W. THACKERY: Of Kelley Road, has been appointed the Wilmington Chairman for the 1971 Campaign for the Heart Fund.

What is the difference between an ophthalmologist and an optometrist, between an oculist and an optician, between an optician and an optometrist? These often confusing terms are important to understand.

An ophthalmologist or an oculist is a graduate physician with basic training in general medicine and surgery and specialized training in the diseases of the eye. An optometrist analyzes refractive errors and eye coordination problems, prescribes glasses, and eye exercises.

Be sure you have chosen the right man for the job by checking his background and asking questions. Your sight is too valuable to risk on a misunderstanding.

INSURANCE INSIGHTS

Insurance Insights

What is the purpose of an endorsement or rider?

Endorsements and riders are often attached to insurance policies. They may amend the policy coverage to fit a special situation.

Individual insurance needs differ. Your insurance agent uses riders to adapt a policy to your special needs.

Endorsements or riders accomplish a number of purposes.

They often extend the policy coverage. They may also omit certain unneeded coverage, thereby reducing your premium.

Another function of the rider is to make certain policy provisions more precise. Endorsements and riders sometimes contain a time factor.

Endorsements and riders are a convenient means of making routine policy changes. These include such changes as name or address and method of premium payment.

By use of riders, it is unnecessary to rewrite the entire policy. Riders enable your agent to personalize the standard insurance policy form.

Skating Rink Proposed for North Wilmington

An enclosed and heated skating rink, for the proposed Route 125 Industrial Park, is being planned. Lloyd Crocker, of the development group met, Monday night with members of the Wilmington Youth Hockey and the Girls Figure Skating Club, in the Selectmen's meeting, to discuss the project.

Mr. Crocker, it turned out, is a skating enthusiast, and helps conduct a Youth Hockey program in his home town of Arlington. He told the Selectmen and club members that he intends the rink to be primarily for Wilmington use, such as Youth Hockey. Crocker was accompanied by Attorney Joseph F. Courtney.

The building will be nearly 25,000 square feet in area, with a rink that will be 185 feet long and 85 feet wide. There will be seats for about 250 people, a concession stand, a pro shop for equipment etc., a skate sharpening shop, and hockey rooms and showers, according to a statement made by Mr. Crocker to the Town Crier. He expects that the rink will be in year-round use. Target date is October first.

Catering to the Wilmington skaters is one of the keys, Crocker told the Selectmen. He can see the day when each town will have its own rink, and he plans to give Wilmington organizations preference.

The demand for ice time is critical, in this area, the Selectmen were told, with everyone agreeing. Crocker said that if the state should erect a rink in Wilmington, under the auspices of the bill of Rep. Fred F. Cain he still intends to build, for there will be plenty of need.

Dave Trickett, of the Youth Hockey program, had presented his own plan for a rink to the Selectmen a few weeks ago. Mr. Trickett told the Town Crier the Wilmington Youth Hockey program is spending about \$20,000 a year at this time, in rink hire. Trickett asked the Selectmen as to what action was being taken on the plan he presented.

Trickett felt that a town rink was the only answer, and that the money being spent by his club would be enough to pay the bond for such a rink.

When Sterling Morris, Town Manager, was asked if a Skating Rink was on the Capital Needs program - the so-called Shopping List - of Wilmington, Morris said that private enterprise is very important, and that the town can no longer afford to build institutions that are not used to their fullest extent.

Trickett accused the Selectmen of "sitting on the study" for his plans. The Selectmen agreed to discuss them in their next meeting.

Other Business

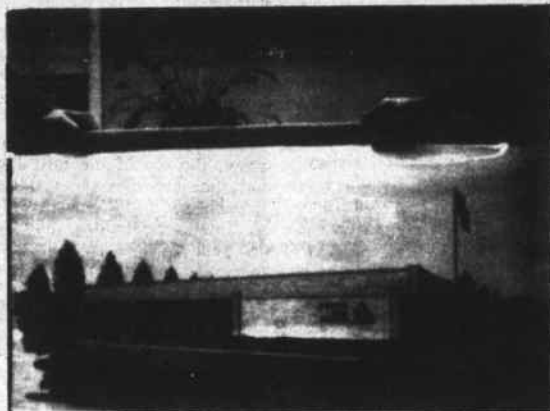

The date for Major Donald Farnham Day has been changed to February 19th. The Wilmington Firemen are having their ball on February 12th and the Chamber of Commerce deferred to the Firemen.

Prisoner of War Day, demanding humane treatment from the Viet Cong for prisoners of war, was set aside, the date to be decided.

The implementation of the Food Stamp Program is to be postponed indefinitely, the Selectmen were told. The message came from Walter Coleman, Director of Public Assistance. No funds have been voted by the General Court, and until such funds are voted there will be no program. Mr. Coleman was in hopes that the Legislature would vote money soon.

Donald Garland, appointed last week by three Selectmen to be Wilmington's representative to

the Bi-Centennial Planning Commission reported briefly to the board.

THE PROPOSED SKATING RINK: As shown in a photograph of the artist's drawing brought in for the Selectmen's meeting.

DAN GILLIS CANDIDATE FOR SELECTMAN

A. Daniel Gillis (Dan) Past Chairman and fifteen year member of the Wilmington Planning Board has announced his candidacy for the Board of Selectmen.

Mr. Gillis was born in Boston, attended the Wilmington Public Schools. He also attended Lowell Technological Institute and Northeastern University.

He is employed in the machine manufacturing industry.

Dan and his wife Mildred are long time residents of Wilmington with a family of four daughters, one son and six grandchildren.

He is past chairman of the West Wilmington Betterment Asso. and as a member of the Planning Board displayed leadership and imagination.

He fathered the legislation which prevented building on fifty foot lots in Wilmington. Mr. Gillis is also Director of Region 5A as well as the Representative from Wilmington to S.I.L.C. He was also on the study committee which led to the formation of the Conservation Committee.

Prior to the regional school he was a leader and instructor in vocational training for juniors and seniors from Wilmington High School.

Mr. Gillis is also known as a bill-board and sign "hater" and therefore will not allow political signs with his name during this campaign.

He will, if elected work for more policy decisions leading to better co-ordination between boards.

He would also support the Town Manager Charter to better utilize the professional background of the Town Manager by removing the political handcuffs for better performance of his duties.

EUGENE KRITTER IS CANDIDATE

Eugene L. Kritter has announced the Shawheen Valley Regional Vocational High School Committee. He is currently Vice-Chairman of the Committee and Chairman of the Long Range Planning sub-committee. A resident of Wilmington for ten years, he resides with his wife and four children at 11 Pilling Road. He holds a B.S. Degree in Electrical Engineering from Marquette University. A Senior Member of the Institute of Electrical and Electronic Engineers, he taught graduate mathematics courses for Raytheon where he is an engineering manager.

He has been active in St. Thomas CCD as vice president, president and principal of the high school of religion. He believes that the craftsmen of tomorrow will graduate from our regional vocational and technical high schools. The regional school

which opened in September adds a new dimension of education to the youth of the five member towns. He was appointed to the school committee in 1969 to serve an unexpired term and was elected to finish that term the same year.

A Navy veteran, he has written several technical articles and has been awarded the Raytheon Author's Award.

QUITE A FEW 20 YEAR OLD VOTERS REGISTERED

The Town Clerk is unable to cite the statistics as to how many new voters Wilmington has, under 21 years of age, because there are no special lists made except for 18 year old voters.

She reports, however, that there are 'quite a few'.

In the 18 year old class there are a total of nineteen voters now registered.

BERGER-CHEF HAS BUILDING PERMIT

Berger-Chef, a firm with headquarters in Fairfax, Virginia, was refused a Victualler's license recently, for a site at 474 Main Street. The Selectmen refused the license under the provisions of the new High Density Zoning By-Law.

The firm now has a license to erect a building on the site, taken out Monday by David Piper, of 737 Boston Road, Billerica. Piper told the Building Inspector that he planned to erect a \$90,000 building on the site at 474 Main Street.

Application for the building permit was made on January 12th and granted at that time, but the Building Inspector, Roy McClanahan, endorsed the permit so that it specifically excludes the erection of a restaurant. Because of that provision it was not picked up on January 12th, when issued, but was subsequently picked up on Monday.

Sherman Place Surrenders

"Unconditional Surrender", said Attorney Joe Corish of Somerville, Tuesday night at the Planning Board meeting. Attorney Corish surrendered to the Planning Board on three objections listed by the board as turning down a plan for land on the old Eames Farm, off Shawsheen Avenue, and near the old West School and the well-fields.

Sherman Place, the name of the plan, was submitted to the Planning Board a year ago this month by Arthur Foss, C.E. The board turned down the plan, saying that no arrangements had been made for the preservation of the old Middlesex Canal as it runs through the land, that a drainage easement was needed for Lot 1, and that there had been an adverse report from the Board of Health. Atty. Corish said that all objections will be met.

boring towns. He has been in contact by telephone, he said, and also talked to the police in those towns. The only complaint the Police had to offer was that young couples, not well acquainted, would call the police and say that there were strangers in the building - which strangers turned out to be the new neighbors down the hall.

Attorney Gene Tougas, who is representing the owners of Maple Manor, off Federal Street, wrote to confirm that all utilities for the planned development would be placed underground.

As soon as the letter had been read the board voted to officially receive the plan for Maple Manor, which plan has been "hanging fire" ever since Tougas submitted it two weeks ago.

Town Engineer Arthur Harding

THEY FOUND PROFESSOR ELIOT: To be 'charming'. Miss Susan Randall of 344 Salem Street and David O'Rourke of 15 Birchwood Road will be attending the meetings of the Planning Board, for a few weeks, as a part of their course of studies at the High School. Both are High School Juniors.

At far left is Professor Eliot's assistant, Dennis Hazam

After a year, Foss's only interest in getting the plan approved as quickly as possible. He felt that there had been a communication gap between himself and the board, and brought in Atty. Corish to make the presentation.

Corish addressed a few remarks to two student representatives, who were attending their first session of the Planning Board. Susan Randall of Salem Street and David O'Rourke of Birchwood Road were told by Corish that "Some of the greatest evils have come in as benefits, as invasion and erosion of private rights". He was discussing the constitutionality of the requirement which asked that the developer conserve the Middlesex Canal.

Danny Gillis, member, said later that no one on the board would want developers to meet unfair conditions, and that the attorney had said the conditions were fair, and would be met.

Other Business

Professor Charles Eliot, consultant to the board, was discussing the old street car routes in Wilmington, preparatory to making up a report for the Town Report. He wasn't certain - and in walked Capt. Neilson of the Town Crier. Larz was able to tick off the old trolley car routes just like that, and Eliot was all smiles.

Dennis Hizam, assistant to Eliot, gave a preliminary report on Garden Apartments in neigh-

informed the board that he is not going to recommend the acceptance of three streets, by the Town Meeting in March. Malloy Road, Jackson Avenue and Everett Avenue, he said, have either sidewalk work, or curbing to be done. There are many streets which he will recommend to be accepted, as they have been completed.

HOME OWNERS CORNER

When the electrical cord of your floor lamp becomes frayed or cracked, it is safer to replace the cord entirely rather than splice on a new piece where the frayed part shows.

Remove the socket at the top and disconnect the old cord first. Tie a long piece of string to the end of this cord before pulling it out through the bottom. Then, when the old cord has been removed, the string can be used to draw the new cord through the base and column of the lamp from the top. Tie the new cord to the top end of the string and pull through. Attach the wire to the socket and light your lamp safely.

For all your repair and remodeling projects purchase your supplies at A.B. SWEZEY, INC., 615 Main St., Tel. 658-2651. We have a complete supply of all types of lumber including the hardwoods - Walnut, cherry, ash, oak and birch. Hours: 8 a.m. to 5 p.m., Daily, 8 a.m. to 9 p.m. Fridays.

Dear Larz:

Congratulations are sure in order to the officers and ladies of the Wilmington Police Dept. who received their Standart DFIRST Aid Certificates.

It is no easy task to take this course, it is time-consuming and it is strictly a volunteer program.

I understand a majority of the Police Officers hold two jobs and the Women Traffic Supervisors are housewives and mothers..... soooo...it is especially important to commend them on their efforts.

With Policemen usually the first on the scene of an accident and Traffic Supervisors involved with children every day, they have certainly helped Wilmington to be a safer town.

Thank you Ladies and Gentlemen and God Bless you.

Anne D. Linehan
Local Red Cross Volunteer

Dear Larz:

I've been curious as to why nothing was done by any of the Town's civic organizations for the best All-Star Team to ever represent the Town of Wilmington in Little League.

Everyone hopped on the bandwagon while the team was winning, but as soon as they lost in the state finals they were forgotten.

They were one of the top three teams in the state. They were under a great deal of pressure, but always came through conducting themselves as gentlemen at all times.

Those who watched this team perform were provided with plenty of thrills by an excellent group of youngsters.

The State Little League officials in Oxford heaped nothing but praise on our players and coaches and stated that this town should

be proud to have had such a fine group.

It just doesn't seem right that such an excellent representation should go unheralded.

Congratulations to the Town of Tewksbury. One of their Civic organizations honored their All-Star Team recently even though they did not go beyond one or two games.

Sincerely,
Norma Nolan

Dear Larz:

In regard to Leida Rideout's letter of last week, I refer to the following notice which appeared in your paper on December 30th 1971 on Page 8.

"Skating hours and regulations have been determined by the Recreation Dept. and the Public Schools"

"Areas are reserved for the use of the school programs during the regular school day. After 4 p.m. they may be used for recreation skating. They may also be used for general skating on Saturdays and Sundays.

Ice hockey is allowed from 8 a.m. to 1 p.m. only. After 1 p.m., recreation skating is available for all ages."

For safety's sake it would be nice to have these regulations observed. At present they are not. Is enforcement possible?

Dear Larz:

Now that the breathless pace of the holidays is past I would like to make it known my deep appreciation and thanks to all the friends and neighbors, and strangers too, who donated much needed clothing and toys, for a poverty stricken family in Mississippi.

They enjoyed a warm and happy Christmas, and have asked me to pass along their thanks to all the nice people up here.

It was quite a thrill to be able

to 'send Christmas' to a family who otherwise would have nothing. This never would have happened without the help of so many kind and generous people who truly possessed the 'Christmas Spirit' Bless them all.

Sincerely

Mrs Barbara Carey

(Mrs Carey was the subject of a story in the Town Crier last October, when she was organizing the sending of Christmas gifts to a black family in the State of Mississippi. Ed.)

Open Letter to the Board of Selectmen - Wilmington, Mass.

14 January, 1971

We the undersigned, members of the Wilmington Minutemen, would like to take this method and opportunity to publicly make known our objections concerning the recent appointment to the Massachusetts Bicentennial Commission of one Donald Garland. The Wilmington representative to the Bicentennial Commission should be someone well-versed in the Colonial and Revolutionary History of Wilmington, Middlesex County, and the State of Massachusetts.

We think, that when a town has an organization whose prime purpose is to promote the town of Wilmington and its colonial history, we should, at least, have been consulted relative to this appointment.

The Wilmington Minutemen, oddly enough, seem to be more well known throughout the state and as far away as California, than they are in their own town. It would seem that we are considered to be just a "Marching and Chowder Society". Let us state now "THIS IS NOT TRUE". Many of us have studied Colonial History in depth and are considered second to only one person of our knowledge.

Although we are not against the appointment of Master Garland, it still remains open to question if he is the most qualified person for the position. If so, his qualifications should have been made public at the time. Anyone with these qualifications is eagerly sought after by the Wilmington Minuteman Company, and we expect him at our next regular meeting.

In conclusion we feel that this was a "CAVALIER" attitude on the part of those Selectmen who voted for this appointment. It seems obvious that this was a "POLITICAL" appointment when it should have been a "HISTORICAL" one.

Signed: Frank D. Curley, Warren Sheerin, Jeff Coville, Art Sugrue, James Davidson, Willie Whalen, Dave Hill, Robert Butters, Kenneth Robbins, William Meyer and James D. Donahue.

(Donald Garland, recently returned from Vietnam, is a young man who is trying to do his duty to society, and perhaps is getting a rough introduction, through the road of politics. Ed.)

HIGHLY SUCCESSFUL SKI TRIP

An unusual departure time did not discourage students from joining the ski trip to Enchanted Mountain in Jackman, Maine last weekend. The trip was sponsored by the High School Ski Club.

Perhaps it was because the cost of the trip had been kept to a minimum that so many students joined the Ski Club. This was due to the generosity of Will Lefavour of Lefavours Ski Shop, who offered his lodge at the base of the mountain to the Ski Club.

Two busloads of students and chaperones, 88 people, left Wilmington at 1:35 a.m. on Saturday morning and arrived in Maine around 7:45 a.m.. On arriving they were greeted with temperatures ranging to 18 degrees below zero, accentuated by heavy winds. The weather continued this way for the entire weekend.

The skiers took to the slopes later in the morning but could only manage one or two runs before they had to return to the lodge to warm up. This was to be the pattern for skiing for the rest of the trip.

The group "roughed it" on the trip cooking their own meals and bedding down at night in sleeping bags. Because of the extremely cold weather, the pipes in the lodge were frozen and no water was available for a time. This problem was overcome by the "cooks" who melted the snow and boiled it for the main meal.

The lodge became chilly due to depressed electrical voltage so the five large fireplaces in the main room became the principal source of warmth.

Sometime during the night on Saturday the winds increased enough to derail the chair lift. The skiers had to use the T-bar or climb the mountain. Although this did not deter some, it tended to quell the enthusiasm of others, as only 48 people braved the slopes on Sunday.

The Ski Club has tentative plans for a one day trip to Okemo, Vt., on February 7th. It is hoped that the temperature will at least be zero degrees for this trip.

Boy's Basketball

The varsity dropped both of its conference encounters this week, bowing to Chelmsford, 59-50 on Friday and losing to No. Andover Tuesday by a 79-40 count.

The Wildcats led the Lions 47-46 with 3:05 left in Friday's home game, but the varsity scored only 3 points compared to the Chelmsford 13, thus another game had eluded the boys. This marked the fourth time in the last five outings that Coach DiSarcina's quintet failed to hold a fourth period lead, losing all four by a total of 22 points.

Co-Captain Dennis Murphy led the varsity with 28 points. Dick Gillis chipped in with 8.

Coach Stone's jayvees came from a 12 point first half deficit to outscore the younger Lions in the second half 26-18 forcing the game into overtime. The Wildcats went on to win the game 40-35, outscoring Lions 5-0 in the extra frame. Mark Nelson hit for 13 points, while Phil Morrissey and Ray Neal scored 8 and 7 points respectively.

Traveling to No. Andover on Tuesday the varsity was never in the game as the Scarlet Knights jumped out to a 21-7 first period lead, and maintained it throughout, 36-25 at half and 52-25 at three.

Dennis Murphy, the Wildcats top scorer and rebounder was unable to play as he was bedded down with the flu and the varsity was literally murdered off the boards. Paul Ritchie led the varsity in scoring with 10 points while Gustus and Conlin chipped in with 8 apiece.

The jayvees also lost to No. Andover by the tune of 60-32 and are now 5-3 on the season. Dave McLain hit for 9 points in a losing cause.

Coach Milley's freshmen lost both of its games this past week and are now 1-4 on the season.

On Friday the Frosh overcame a 13 point deficit in the final frame to tie Austin Prep at 34-34 only to lose by 2 in overtime, 40-38. Bob Stewart led the younger Wildcats with 13 points while Doug Stewart chipped in with 10.

Tuesday No. Andover bombed the Frosh, 93-29. Bob Stewart and Dave Spring hit for 9 points each in the loss.

The Frosh will be in action tomorrow hosting Billerica in a 3:15 game at the high school gym. At nite the Wildcats will entertain the Billerica Indians at 6:30.

Murphy leads the varsity in scoring with 163 points, trailed by Gustus with 114, Conlin, 60 and Gillis, 55. The best free throw shooters are Gustus at 61%, 30 for 49 and Beaton at 60%, 15 for 25. But the key factor in the 2-6 season is lack of scoring punch in the backcourt as well as depth up front.

Redmen Outrun Trackmen

The varsity indoor track squad lack of depth was evident in last weeks loss to Tewksbury, 53-33. Coach Kelley's team picked up four firsts, compared to six by the Redmen, however Tewksbury gained six seconds and five thirds to provide the margin of victory.

Co-Captains Carl Cotter, 45' 3 1/4" in the shotput, and Larry Harrington, 1:21.8 in the 600, led the Wildcats with a first place finish in their specialty. Junior Bill Badioli, 38.1 in the 300, gained a first, while a relay quartet of Harrington, Badioli, Jack Barry and Steve Coursey edged the Redmen relay for the other first place finish.

Other Wildcats to score were Jack

Barry, 2nd in high hurdles. Tom Mirasola, 3rd in the high hurdles; Mark Jepson, 3rd in the 50 yd. dash; Kevin McCormack, 3rd in the 1000; Cliff Friberg, 2nd in the mile and Rick Keane, 2nd in the 2 mile event.

Today's meet with Peabody has been postponed until Monday, Jan. 25th. The affair will get underway at 4 o'clock at Andover Academy.

Four boys will participate in the State Meet trials this weekend at Northeastern University. The Wildcats are entered in Cladd "D" competition and their hopes are with Mike Curran, 50 yd. dash; Jack Barry, high hurdles; Larry Harrington, 600; and Carl Cotter in the shot put.

MIKE ESPOSITO: Was honored last Thursday by the Wilmington Sons of Italy as the Outstanding Italian-American Athlete at Wilmington High School for the period 1967-1970.

A. Francis Pascarelli, representing the Grand Lodge, presented the handsome plaque on behalf of the Wilmington Lodge.

GYM PROGRAM FOR FOUR AND FIVE YEAR OLDS

An exciting new gym program for children four and five years old will start the third week in January, at the North Suburban Y.M.C.A.

The classes will be under the direction of Mrs. Gerlinde Boyack who has recently moved to Lexington from Marblehead, where she has conducted these classes for the last four years.

Among other things, the program helps children to explore and discover innate bilateral physical capacities which seem to have a direct effect on reading readiness and intellectual development.

Mrs. Boyack introduced this program into all the Kindergarten classes in Marblehead last year.

For further information, come by the new North Suburban Y, 137 Lexington St., Woburn.

Wilmington Pucksters Move on Top

The Wildcat icemen increased their unbeaten streak to six last week with a pair of wins, 5-1 over Tewksbury and a 2-1 triumph over Burlington, thus gaining sole possession of first place in the conference.

In the win over the Redmen on Jan. 13th, Coach Fessenden's boys exploded for three third period goals to break up a close 2-1 game. The Wildcats did not play well, which possibly could be attributed to the eleven day layoff for the seniors.

Co-Captains, Jim Irwin and Mike Esposito netted their second goals of the season in the win over a much improved Tewksbury Club. Other goal scorers were Lance Walden (6th) and Frank McLean (3rd & 4th). McLean's last score was the third short-handed goal by the varsity of this season. The Wildcats maintained a 25-13 shots on net, eleven of these came in the final stanza.

On Saturday the varsity played one of its best team games and came out on top 2-1 over arch-rivals, the Red Devils. The Wildcats spotted Burlington a first period goal and that was all Dana Tighe was to allow entrance to the win.

GOALIE DANA TIGHE: Stops Jim Murphy of Burlington.

GIRL'S BASKETBALL

The varsity extended its unbeaten streak to four with a non-league win over Bedford on Tuesday, 30-23. Joani Bellissimo led all scorers in the game with ten points. Linda Spinner and Dianna Paulson chipped in with 4 points apiece.

The jayvees won their fourth game of the season edging the Bedford JV's, 7-6 in Tuesdays prelim. Sandy McNevin and Alison Arnold accounted for all of the Wilmington scoring with 6 and 1 points respectively.

In road encounters last Friday, the varsity topped Chelmsford, 29-14 while the jayvees lost 11-6.

Coach Dadoly's quintet will put its 5-2 record on the line tomorrow with a road game at Billerica. The girls return home for a game with Dracut on Friday, Jan. 29th.

Town League Basketball

Undefeated Ernie's opened a full two-game lead on first place in the adult division last week when it beat Newhouse, 83-69, for its fifth win of the season. DeLoury gains its initial triumph by topping Sweetheart, 98-70.

Dan Ballou was highman for Ernie's with 28 points, trailed by Keith Arnold with 22, Bruce Arnold 15 and Dan Bailey, 10. Steve Donahue netted 27 points, Dave Orndoff 16 and Pete Farrell 10 for Newhouse.

Don Miller netted 24 points for DeLoury, while Bob Flores and George Hanna both hit 19. Jim Peterson scored 20 and Ed. Doherty 16 for Sweetheart.

Next Wednesday Newhouse will battle Sweetheart and DeLoury tops-off against Ernie's in the twin bill at the high school gym.

Harvard knocked Northeastern from the unbeaten ranks last Saturday with a 19-6 win in Intermediate play.

Tufts bombed Holy Cross, 30-1 to move within a game of first place in the other game. Bob Sferazza hit for 10 points and Pat Magee 6 for Harvard. The Burke twins, Paul (4) and Kevin (2) and Larry O'Brien played well for the Huskies. Joe Ferraguto led Tufts scoring 14 points while Mark Flight chipped in with 8.

Northeastern and Tufts will play at the North this Saturday in a big ball game. Tap-off is listed for 1 o'clock. Harvard and Holy Cross will be in action at the West, also at 1 p.m.

The Chiefs continued on their merry way, extending their win streak to 6, with a 24-21 win over the winless Chargers in the feature junior loop game last week. The Patriots stayed close behind the divisional leaders with a 19-5 drubbing of the Jets, while the third place Raiders topped the Broncos, 23-8.

The senior divisional leading Lakers extended their unbeaten skien to five with a 36-23 win over the slumping Pistons. The second-place Bullets dropped the Royals, 42-25 and the Celtics dumped the cellar dwelling Knicks, 49-18 in other games played Saturday.

The schedule of games this weekend include the Chief-Patriots clare at 1 o'clock to be followed by the Chargers-Raiders, and Jets-Broncos clashes. In the senior loop the Knicks battle the Pistons at 3:15 while the Celtics and Royals tap-off at 4:15. The feature game of the day is the first place battle between the Lakers and Bullets, oa 5:15 tap-off is listed.

IT WAS QUITE A GAME: As may be seen by this photo of the Wilmington Cheerleaders, who are intently watching the action.

Tighe, who was outstanding all afternoon, kicked out 18 shots. As the Wildcats moved into first place. Co-Capt. Jim Irwin, continuing his fine play, tied the game at 9:23 of the middle frame on an excellent individual effort as he picked up his own rebound in front of Walsh and beat the Burlington goalie.

The game winner came off the stick of junior defenseman, Steve Neal early in the final stanza. Neal's goal was a short-handed effort, Esposito was sitting out a high sticking penalty, as he picked up a pass from Dave Irwin. The blueline 2-1 beat the lone Burlington defenseman to go in alone on Walsh for the score. Steve Catalano, Dave and Dan Kindred, Lance Walden, Frank McLean, Mike Esposito and Dave Irwin along with Tighe

Irwin and Neal played very well as a team and the result was obvious, a team victory.

The boys return to action this Saturday with a 3:15 game at the Forum. Billerica will provide the opposition. The Wildcats edged the much improved Indians, 2-1 in the initial meeting. Next Wednesday the icemen skate against newcomer No. Reading, in a 5 o'clock game at the Forum.

Tighe has an excellent 1.16 goals against average stopping 88 of 95 shots to lead the league.

Walden has registered 6 goals to lead the club, while Dave Irwin and McLean have lit the red light four times. Capt. Irwin has the most assists, six. Capt. Esposito the most penalty minutes, 14:40.

Frank McLean (17), Dave Kindred (15) and Steve Catalano (11), all second players for the Wilmington Hockey team.

COED VOLLEYBALL ON SUNDAYS

The Sunday evening volleyball program is in need of, some ladies to augment the few who come to the gym.

There is ample opportunity for ladies to play, either on coed

teams or by themselves, if enough come.

Don't be bashful girls, come to the High School gym Sunday evenings between 7-11 p.m., and bring a friend. You don't have to have any experience, just enthusiasm.

More fellows are also welcome to this over 16 activity.

COMMONWEALTH OF MASSACHUSETTS LAND COURT

Middlesex, ss.
 To the Honorable The Judges of The Land Court for the Commonwealth of Massachusetts.
 Respectfully represent Gordon H. Harnum and Gladys C. Harnum of Belmont, in the County of Middlesex and said Commonwealth, that they are owners of a certain lot of land with the buildings thereon, situate in Wilmington, in the County of Middlesex and said Commonwealth, bounded and described as follows:

Easterly by Woburn Street, referred to as Boston Street or New Boston Street in prior instruments 322.29 feet more or less. Northerly by land now or formerly of Eaton et al. and Stevens Family Trust, 431.68 feet more or less. Westerly by land now or formerly of Boston & Maine Railroad and Stevens Family Trust, 242.92 feet more or less. Southerly by land now or formerly of Eames, Hathaway and Whitney, 404.77 feet more or less, being the same premises conveyed to the Petitioners by Deed of the Executors under the Will of Faustini L. Andreoli, recorded with Middlesex North Registry of Deeds, Book 1091, Page 136, and Deed of Tully A. Gross, recorded with Middlesex North Registry of Deeds, Book 1091, Page 137.

That the record title to said lot of land is clouded by a mortgage given by Wilmington Packing Company, to Merrimac Chemical Company, Inc., dated June 1, 1931, and duly recorded Book 303, Page 516, in Middlesex North Registry of Deeds, purporting to secure a note for \$2,500, payable on December 1, 1933 with interest annually, which mortgage appears to be not properly or legally discharged of record.

That for more than twenty years after the expiration of the time limited for the full performance of said condition no payment has been made and no other act done in recognition of said mortgage, and

That the mortgagor named in said mortgage and those claiming under it have been in uninterrupted possession of said land for more than twenty years after the expiration of time limited in said mortgage for the full performance of the condition thereof.

WHEREFORE your petitioners pray that after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20 of the Acts of 1924.

Senior Citizen's Party

If the success of a party is measured by the number of people attending, then the CYO party given for the senior citizens was partly successful. But if the criteria used for a successful party is the participation of those present in the "fun and games", then the CYO party was a success.

Willanova Hall, where the party took place during the Christmas Holiday, looked empty as one entered. The tables down at the front where Frank Mango of the K. of C. was calling the numbers of a game of Blitz, did not fill the hall. It was only after you entered and watched the intensity of the players, listening to the caller and concentrating on win-

ning a prize did you come to realize that all who had attended were enjoying the evening.

Some of the members of the CYO helped with the serving of the guests, and led the games which awarded prizes for the person who was the oldest and the youngest, those with the most children, grandchildren and for those couples who had observed their 50th wedding anniversary.

The prizes were won by Laura Donohue, the oldest, (86 years old), Mrs. Ernest Ball the youngest, (63 years old) and Mary McMurry, Marjorie White and Lena Cohen for the most children and grandchildren. The Amiraults and the Deliveaus were cited for having observed their 50th wedding anniversary.

LAURA DONOHUE, Alice King, President of the Golden Age Club and Ernest Ball take a short break during the party.

Comfort or Irritation
Your new home must be selected to serve the purposes and functions of family life. There are many features you must check. That vine-covered cottage for two may turn out to be a prison when it's occupied by six. When you look, check out all the features of the new house.

Does it have convenient entries - and enough of them for your family and their activities? Does it have enough garage space and parking facilities? Are the grounds large enough for all your outdoor activities?

Are the rooms so laid out that arrangement of the furniture you have and that you want to

get will be logical and attractive? If you entertain a lot, is there space for parties?

These things may seem unimportant, but in every day living they can be the difference between comfort and constant irritation.
